2. BASIS FOR INTERIM FINANCIAL STATEMENTS PREPARATION

The interim financial statements are prepared on a condensed basis in accordance with Thai Accounting Standard (TAS) No. 34 (revised 2014) Interim Financial Reporting; guidelines promulgated by the Federation of Accounting Professions (FAP); and applicable rules and regulations of the Thai Securities and Exchange Commission, and with generally accepted accounting principles in Thailand.

The interim financial statements are prepared to provide an update on the financial statements for the year ended 31 December 2014. They do not include all of the financial information required for full annual financial statements but focus on new activities, events and circumstances to avoid repetition of information previously reported. Accordingly, these interim financial statements should be read in conjunction with the financial statements of the Company and its subsidiary for the year ended 31 December 2014.

The preparation of interim financial statements in conformity with TFRS requires management to make judgments, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets, liabilities, income and expenses. Actual results may differ from these estimates.

"The Company" represents "Chiangmai Frozen Foods Public Company Limited," while "The Group" represents "Chiangmai Frozen Foods Public Company Limited" and its subsidiary which is "Agrifood Processing Company Limited".

The significant transactions between the Company and the subsidiaries have been eliminated in the interim consolidated financial statements.

3. NEW FINANCIAL REPORTING STANDARDS

(a) Financial reporting standard that became effective in the current period

During the period, the Group adopted the revised and new financial reporting standards issued by the Federation of Accounting Professions which become effective for fiscal years beginning on or after 1 January 2015. These financial reporting standards were aimed at alignment with the corresponding International Financial Reporting Standards, with most of the changes directed towards revision of wording and terminology, and provision of interpretations and accounting guidance to users of standards. The adoption of these financial reporting standards does not have any significant impact on the financial statements of the Group. However, some of these standards involve changes to key principles, as follow:

Accounting Standards:

TAS 19 (revised 2014)

Employee Benefits

Financial Reporting Standards:

TFRS 10

Consolidated Financial Statements

TFRS 11

Joint Arrangement

TFRS 12

Disclosure of Interests in Other Entitles

TFRS 13

Fair Value Measurement

The above accounting standard and financial reporting standards do not have any significant impact on the financial statements of the Group.

(b) Financial reporting standard issued during the period and not yet effective

During the period, the Federation of Accounting Professions issued a number of the revised financial reporting standards (revised 2015) which is effective for fiscal years beginning on or after 1 January 2016. These financial reporting standards were aimed at alignment with the corresponding International Financial Reporting Standards. The Company's management believes that the revised financial reporting standards will not have any significant impact on the financial statement when it is initially applied.
