3. NEW FINANCIAL REPORTING STANDARDS

3.1 Financial reporting standards that became effective in the current period

During current period, the Group has adopted the revised Thai Financial Reporting Standards and the Conceptual Framework for Financial Reporting, which are effective for the financial statements for the period beginning on or after 1 January 2021. These financial reporting standards were aimed at alignment with the corresponding International Financial Reporting Standards, with most of the changes directed towards revisions to reference to the Conceptual Framework in TFRSs, revising the definition of materiality, definition of business and accounting requirement for Interest Rate Benchmark Reform.

The adoption of these standards does not have any significant impact on the Group's interim financial statements.

3.2 Financial reporting standards that will become effective for fiscal years beginning on or after 1 January 2022

The Federation of Accounting Professions issued a number of revised financial reporting standards, which are effective for fiscal years beginning on or after 1 January 2022. These financial reporting standards were aimed at alignment with the corresponding International Financial Reporting Standards with most of the changes directed towards clarifying accounting treatment and, for some financial reporting standards, providing temporary reliefs or temporary exemptions for users of the standards.

The Group's management will adopt the relevant TFRSs in the preparation of Group's financial statements when they become effective. The Group's management is on the evaluating process to assess the impact of these TFRSs on the financial statements of the Group in the period of initial application.

4. SIGNIFICANT ACCOUNTING POLICIES

The interim financial statements are prepared by using the same accounting policies and methods of computation as were used for the financial statements for the year ended 31 December 2020. The accounting policies disclosed additional for investment in subsidiary and goodwill are as follows:

Investment in Subsidiary

Subsidiary are all entities over which the Group has control. The Group controls an entity when the Group is exposed to, or has rights to, variable returns from its involvement with the entity and has the ability to affect those returns through its power over the entity. Subsidiary are fully consolidated from the date on which control is transferred to the Group. They are deconsolidated from the date that control ceases.

Intercompany transactions, balances and unrealised gains (losses) on transactions between group companies are eliminated; unrealised losses are also eliminated unless cost cannot be recovered. Where necessary, accounting policies of subsidiaries have been changed to ensure consistency with the policies adopted by the Group, respectively.

In the Company's separated financial statements, investments in subsidiaries are accounted for at cost less impairment. Cost is adjusted to reflect changes in consideration arising from contingent consideration amendments. Cost also includes direct attributable costs of investment transactions and non-controlling interests.

CHIANGMAI FROZEN FOODS PUBLIC COMPANY LIMITED AND ITS SUBSIDIARY NOTES TO THE INTERIM FINANCIAL STATEMENTS (CONTINUED) FOR THE THREE-MONTH AND SIX-MONTH PERIODS ENDED 30 JUNE 2021 (UNAUDITED)

Goodwill

Goodwill is initially recorded at cost, which equals to the excess of cost of business combination over the fair value of the net assets acquired. If the fair value of the net assets acquired exceeds the cost of business combination, the excess is immediately recognised as gain in profit or loss. Goodwill is carried at cost less any accumulated impairment losses. Goodwill is tested for impairment annually, without consideration of indication that such goodwill may be impaired.

For the purpose of impairment testing, goodwill acquired in a business combination is allocated to each of the Group's cash generating units or group of cash-generating units that are expected to benefit from the synergies of the combination. Cash flow generating units or groups of cash flow generating units represent the smallest unit within the entity at which the goodwill is monitored for internal management purposes.
